Dear Leuschner:

Will you either send some news for me or contact Pompey and ask him to for the game between the Eagles and Cuban Stars in Norfolk on May 8th and Richmond May 9th. I would also like to have some stuff for Newark for Opening day. The Cubans and Eagles are playing in Atlantic City May 14th and if you get the news to me, I will take care of the publicity there. Pompey said you would have some mats of his infield, send those if you have them please. He asked me to change the dates in Norfolk and Richmond to the 7th and 8th, but publicity had already been started and placards out.

About May 10th suppose you don't bother, if we haven't gotten located to date. The boys will be riding all night from Richmond, and I would rather have them in good shape for opening day.

If you have located a Park in Staten Island for Saturdays, it would be very good, because Saturday is a bad day to find a place.

Please let me have the publicity as soon as possible.

Very truly yours,
